"Pete McKeon sets the standard for custom homes in Murphy. We have been extremely pleased with the quality of construction and attention to detail. Our beautiful home was on time and on budget! His integrity and work ethic are commendable and we highly recommend him!" – Woody and Judy Hamrick

Pete McKeon Building Company is a turnkey custom home builder located in the beautiful mountains of Western North Carolina. We take great pride in the craftsmanship and high quality of our work. With over 40 years' experience as a licensed residential and commercial home builder, we have crafted dream homes for many satisfied clients. We believe that honesty, integrity and listening to our clients' needs are the most important part of our business.

Pete McKeon Building Company offers creativity and quality beyond your expectations. Custom touches and unexpected details using quality materials are typical in a Pete McKeon home. Whether you are considering a log-sided or frame home, contact Pete McKeon and discover why we are one of the leading custom home builders in Western North Carolina.
